We Ask Questions...

- We are exposed to different and new ideas about faith, theology and scripture
- We are challenged through engaging conversations and reflection
- We are able to deconstruct and reconstruct our many identities as baptized children of God
- We develop a lens of vocation that helps us with a fresh mindset and clarity

Student Leadership Retreat

We Pursue Vocation...

- We are intentional about Lutheran identity and theology and how these inform our living at and beyond LCMNU
- We use our lens of vocation to challenge the prevailing culture on campus and in the world
- We are compelled to serve
- We create a space to be “every part of ourselves”

Hilda’s Place

We Welcome and Expand...

- We seek community that both challenges and supports
- We welcome all students to connect and reconnect with the ministry
- We convey and construct LCMNU as a safe place
- We partner with our Board of Directors, area congregations, and campus and local organizations

Trivia Night

Between the Books

We are always alert to and respond to opportunities to serve, celebrate or study. In the last few months LCMNU has been part of the following:

Lutheran-Catholic Dialogue: As we prepare to commemorate the 500th anniversary of the Reformation, LCMNU and Sheil Catholic Center students met for dinner, discussion and prayer.

Student Leadership Retreat: Student Leaders gathered at Lutherdale Bible Camp to plan ministry programming and events for the upcoming academic year.

Year-End Worship Celebration: On June 4th we gathered to thank volunteers from the past year and recognized our graduates during our Pentecost worship service.

Church of the Ascension, Northfield, IL

Campus Ministry Sunday 2017: On May 7th, students, board members and Pastor Deanna visited eight area ELCA congregations to share about LCMNU and thank them for their support.

Thank you to individuals, congregations, volunteers and LCMNU’s new Ambassadors who have supported LCMNU this past academic year through prayer, financial gifts and service.

LCMNU is grateful!
